Hearthstone, tucked away off Tilley Morris Road in Matthews, NC, boast large lots, featuring lush mature landscaping, wrap-around porches, large windows and tree-lined driveways. The simplicity of the architecture gives Hearthstone a welcoming, "down-to-earth" cottagey feel. This established neighborhood is definitely a hidden gem. With only one entrance and bordered by Colonel Francis Beatty Park, Hearthstone is truly Charlotte's best kept secret.

## The People

Hearthstone is an active neighborhood. The Homeowner's Association Board of Directors is made up completely of Hearthstone neighbors. We take pride in our neighborhood and care about it's future. There are many social functions and business meetings throughout the year that keep neighbors informed of neighborhood happenings. We look out for each other and have an active neighborhood watch program. We are also active in the community, attending meetings that involve our schools, parks and the development of the community around us.
